

SISKIYOU FOREST PRODUCTS
RESERVE
PREMIUM WOOD TRIM

Two Coat Exterior Prime

Our two-coat process starts with an alkyd sealer to block tannin migration, followed by a high-performance acrylic primer. The result: **RESERVE** quality, inside and out.

Superior Wood

All **RESERVE** products have been specifically formulated to be the ultimate in siding, fascia and trim. Being made of quality, clear, finger-jointed Western Red Cedar or Redwood, these products are naturally designed for exterior use—both species are ideal for enduring extreme weather.

Surfacing + Sizes + Lengths

RESERVE products come in a wide range of sizes, lengths and finishes. Whether the project calls for S1S2E or S4S, we offer lengths ranging from 16' to 20'. Pattern stock is also available.

1x4 – 1x12

5/4x4 – 5/4x12

2x4 – 2x12

The Finest Stock, The Best Coating

Our Siskiyou Forest Products **RESERVE** line is specially manufactured and treated to create the highest quality product available. Using state-of-the-art application and curing equipment, our premium Western Red Cedar and Redwood stock is made to last for many generations. We are proud to offer a beautiful, durable product that is ready for installation and final painting the moment it reaches the craftsmen.
